Dear Mr Horsthuis,

Voucher Donation

I am writing to you on behalf of Crossroads Caring for Carers Isle of Man to thank you for your donation of a voucher that will assist Crossroads in purchasing turnips and toffee apples for the charity's Halloween fundraiser at Curraghs Wildlife Park this year.

The funds raised from the activities and sale of confectionary will go directly towards service provision for Carers and people with care needs on the Isle of Man, and allow for more care hours and the continuation of Crossroads' services.

Crossroads provides respite care breaks for family and informal Carers who look after a family member, friend or neighbour with an illness, disability, mental health problem or substance misuse problem and meaningful support for people with care needs.

Crossroads does this by means of several services, including Care at Home, Young Carers projects, learning disability projects, nursery outreach, Holiday Scheme and day services.

Currently, Crossroads provides over 100,000 hours care a year, and this is only made possible by the generous support of members of the local community.

Again, thank you for your support.

Yours sincerely,

Miss Alexandra Wilson
