Dear Friends,

I thank you for your very kind donation of £260. which Lea has handed to me and on behalf of everyone involved with the Women's Refuge on the Isle of Man I would like to thank you all for your generosity. I do thank you for thinking of us as we know there are very many worthwhile charities on the Island so appreciate your kindness very much.

We are busy at the Refuge and the money will be put to good use to help make the house more comfortable for the many families who find they need to use it.

Our sincere thanks to you all.

Yours sincerely,

Mrs. Thelma Lomax
Treasurer.
